MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Emergency Series T/O, [REDACTED]

25X1A

1. This memorandum contains a recommendation for DD/S approval. Such recommendation is contained in paragraph 5.

2. The Emergency Series Table of Organization for [REDACTED] attached at Tab C was prepared in this Office on the basis of personnel requirements submitted by the [REDACTED] Station in Appendix III, Annex D to CIA [REDACTED] Operations Plan No. [REDACTED] modified to include communications personnel as recommended by the Office of Communications. A comparison of currently authorized and actual strengths and the proposed Emergency T/O is attached at Tab A.

3. Explanations of column headings of the Emergency Series T/O are at Tab B.

4. It is contemplated that as Emergency Series T/O's are approved for publication for planning purposes they will be forwarded to the field for an indication of those positions which could be filled from current force by entering the appropriate current T/O position number under Column 5. When field assets have been exhausted, Headquarters will endeavor to slot against the remaining requirements from sources such as (a) Category 1 Employee Reservists, (b) Headquarters' employees who could be released for deployment to overseas commands, and (c) military reservists not employed by CIA who possess required skills and to whom the Services agree to give mobilization assignment to CIA.

5. It is requested that the attached Emergency Series T/O for [REDACTED] be approved for issue, for planning purposes, and for distribution under the procedures outlined in paragraph 4 above.
